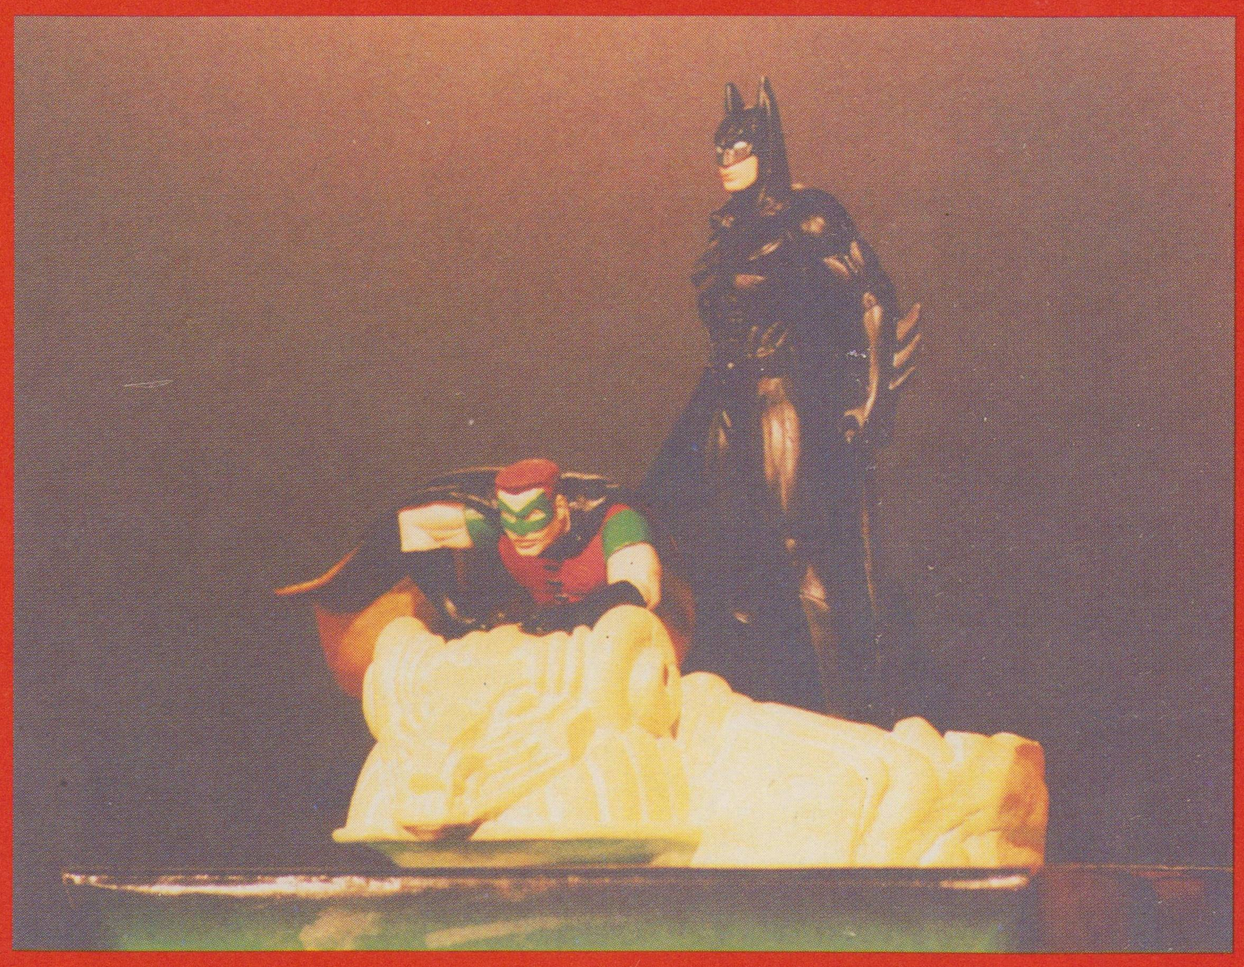
BATMAN FOREVER



Sequentially numbered Collector's Series resin diorama with Batman and Robin. For serious collectors.

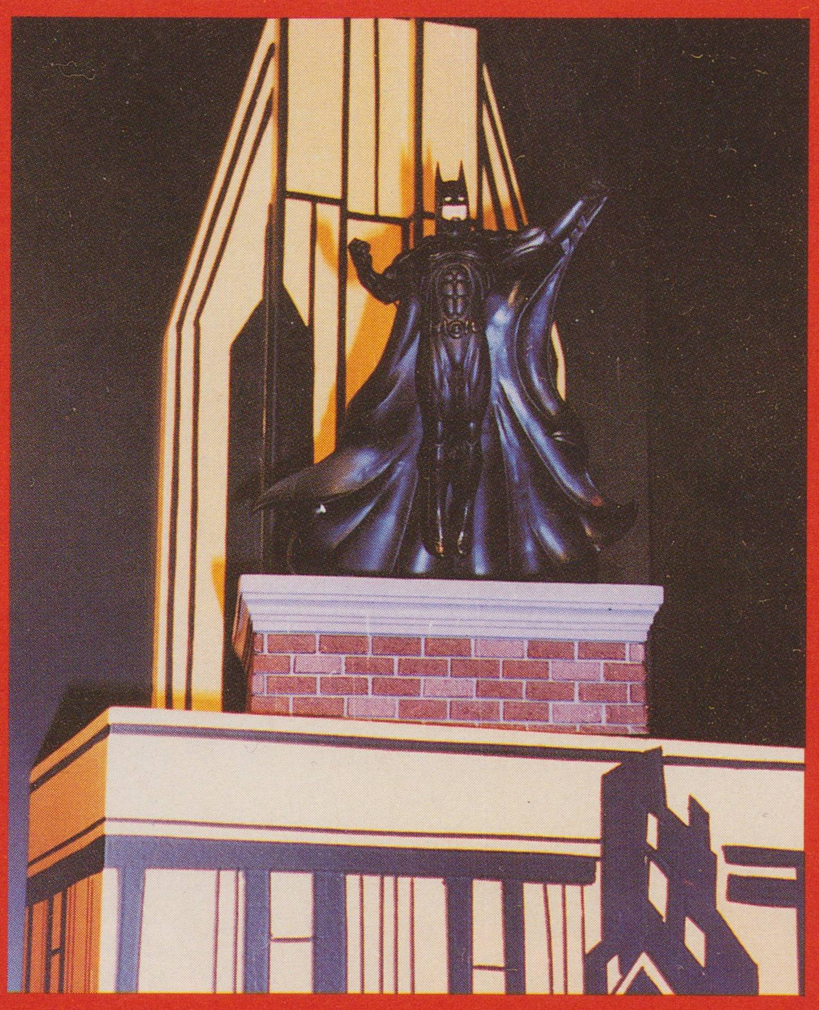
Batman Forever - Applause has really outdone itself here, with this line of collectibles.

Figurines Six different styles of PVC figures include Batman and Robin, The Riddler and Two-Face. These figurines are available in 6-piece gift boxes, or individually.

Mugs Decal mugs are new from Applause, with color change art. Three different 12 ounce mugs. Also plastic figural mugs (4), and ceramic figural mugs (shown).

Novelty items Keychain flashlights, vinyl keychains, and plastic sippers.

Collector's Series **For the serious collector,** Applause has developed a series of resin dioramas, each showing a key scene from the movie -- Robin Battling Two-Face on Claw Island, Batman confronting the Riddler in the Riddler's Lair, and Batman and Robin revelling in their success in restoring peace to Gotham City. Each piece is beautifully crafted and limited to 5,000 pieces. A very limited edition collectible is the resin casting of Batman as he leaps from a Gotham Skyscraper (1,000 pieces only!). **Don't miss next issue!** ★



Limited Edition resin Batman sculpture (1,000 pieces only!). Serious collectors.
